The Comfort Suites Hotel & Conference Center is one of Green Bay's premier hotel and conference facilities. Completely renovated in 2003, the hotel offers 115 guestrooms each with free high-speed internet access, microwave, refrigerator, wet bar and pull-out sofa sleeper. Our suites are designed for both the family traveler making use of our expansive pool area and large-size suites, as well as the business savvy utilizing the in-room ergonomic work desk and chair, free in-room high-speed internet connections and full business center. Also available, is our award winning casual dining restaurant 1951 West.

With over 20,000 square feet of conference/meeting & banquet space, the Comfort Suites Hotel & Conference Center can accommodate groups of up to 1,000. The property has 16 private meeting & banquet rooms that vary in size and seating capacity to accommodate everything from general sessions to banquets, meetings, conferences, break-out rooms and executive board meetings.
